agriculture heat
low-temperature heat for industry
urban decentral water tanks discharger
urban central resistive heater
rural gas boiler
urban central solid biomass CHP
urban central water pits discharger
urban central gas boiler
urban central coal CHP
urban decentral air heat pump
rural air heat pump
urban decentral gas boiler
rural resistive heater
urban decentral resistive heater
urban decentral oil boiler
rural oil boiler
other
urban decentral water tanks charger
urban central air heat pump
rural heat
urban decentral heat
urban central heat
urban central water pits charger
urban central heat vent
