agriculture heat
low-temperature heat for industry
urban central air heat pump
urban central solid biomass CHP
rural gas boiler
urban decentral gas boiler
urban central coal CHP
urban decentral oil boiler
rural oil boiler
urban decentral resistive heater
rural resistive heater
urban decentral air heat pump
other
rural air heat pump
urban central water pits discharger
urban central gas boiler
urban central resistive heater
urban central heat
urban decentral heat
rural heat
urban central water pits charger
